

Geographical Center of North America Chamber of Commerce

BENEFITS AND SERVICES

Monthly Newsletter

A complimentary subscription to the Chamber's monthly newsletter is included in your annual dues.

Rugby Bucks

Rugby Bucks may be purchased by anyone, but only redeemed at chamber member stores. They are purchased and exchanged for the face value. This is an excellent way to promote and keep the money in Rugby.

Free advertising

Special welcome event packets will be distributed at sporting events and special events. This gives Chamber of Commerce members the opportunity to reach visitors during events.

Membership Plaque

A display plaque is another no cost benefit of your Chamber of Commerce membership.

New Resident Welcome Packet

This packet offers your business the promotional opportunity to reach all new and relocated families entering Rugby.

Internet Services & Web Site Exposure

Your membership provided you with automatic listing on the Chamber Web page, along with a link to your web site. You can update your own profile listing and post employment opportunities for your business.

Mailing Labels

Mailing labels of all Chamber member and non-member businesses are available to members free of charge.

Leadership Opportunity

You can join a Chamber committee to further participate in the advancement of your business and community.

Chamber Event

The Rugby Chamber of Commerce sponsors the following annual event: The Spring Expo, Farmer/Rancher Appreciation Night and Ag Expo, Business and Family Picnic, 4th of July Parade, Annual Softball Tourney, and several other retail promotions and community events.

Business Workshops and Seminars

Chamber members will be invited to attend seminars and workshop designed to enhance the business.

After Hours Business Mixers

This gives the business owners and employees a chance to socialize away from the office.

Why Should You Belong?

If you do business in Rugby. . . you are probably dependent upon the growth and prosperity of Rugby to make your business more profitable. The Chamber is the organization dealing with the concerns in Rugby and working for continued growth in the community.

If you are a small business. . . you realize the importance of making business contacts in the community. A majority of Chamber members are small businesses. By working together through the Chamber, they bring more businesses, more residents, more tourists, and more customers to Rugby.

If you are too busy to be involved. . . you can benefit from the efforts of the Chamber to promote and insure the growth of the community.

Even if your budget is tight. . . you will find Chamber membership will provide you with a high return on your investment. Membership in the Rugby Chamber of Commerce means exposure, referrals, and assistance in your business.

Community Development. . . the economic development of Rugby is one of the main concerns of the City and Chamber; we hope to facilitate growth of existing companies and new businesses.
